

I am fishing the 52nd Annual Children's Therapy Center of the Quad Cities Charity Bass Tournament and am asking for you to join me in my help of children in need.

How you're helping

Your donation provides units of physical, occupational, speech, and feeding therapy to children with developmental disabilities and delays due to birth, injury, or illness to help them achieve their highest level of independence. **About 70% of the therapy units provided by the Center each year are unreimbursed.** That's why fundraising events such as this tournament are so important to ensure that no child is ever turned away. Your donation also helps my team achieve a better starting position in the tournament. Thank you!

PLEASE COMPLETE THE FORM BELOW AND MAIL BY SEPTEMBER 11 WITH YOUR CHECK OR CASH TO:
